If you have not gone into 4-Honline to start the registration process or aren't quite sure how, go ahead and reach out to me. I did send some information on Monday 11/9/2020 with the subject lines as "4-Honline 2.0" that included some help sheets and the link but this is a learning process for all of us, I am more than willing to help you along the way.

Leaders, if you have not sent me your end of the year/beginning of the year paperwork or maybe misplaced it, shoot me an email and I can resend things that way.

We will again need to get a group together to do the Leaders Association Audit, if this is something you have interest in being part of or would like to lend us your time we would appreciate the help.

Just as another reminder, we are currently planning on Shooting Sports starting up at the beginning of the year and will send more details as we have them.

There will be a Black Hills Shooters (BB, Air Rifle, Air Pistol) Open House on Saturday January 2nd from 9:00am - 12:00pm at the Walter Taylor 4-H Building. This will be a chance to sign up, get your gun assignments and will involve the safety training. Attendance is HIGHLY encouraged, even for returning youth.

Attached to the email, you will find information about the Wood Burning Workshop coming up on December 12th. Please email Pennington.county@sdstate.edu to reserve your spot as it is limited to 10 youth.

There is information about the Extension Advisory board included on this email, please take a second to read through it to see if this is a board you would have an interest in serving on for the year.

Christmas at the Mansion: We again had the opportunity to put a tree up at the Landmark Community Church to represent Pennington County 4-H. If you have a chance to stop by and check it out I encourage you to do so. They will be doing tours December 11th - 12th, 18th - 19th and 27th -28th. Here is a link to their website: <https://landmarkcommunity.church/events-2/> The church and old governor's mansion are located at 3777 Anderson Road, Rapid City, SD 57703.

Jr. Leaders

- Our first Jr. Leaders Meeting will be this Tuesday 24th at 5:30pm at the Walter Taylor 4-H Building (masks will be required). This is for 4-H members ages 13-18 and members are encouraged to attend without a parent in order to promote sense of ownership in the club. The 4-H Jr. Leaders Club is designed to provide members with the opportunity to learn about the qualities and competencies needed to be a leader. Junior leaders aid, and assume more challenging leadership roles as they progress. Junior Leaders may assist with specific projects or with more general 4-H activities and events. Email me at regina.bakley@sdstate.edu to RSVP for Tuesday.

Pennington County 4-H T-shirts

- New to 4-H or didn't have a chance to order last year? No worries! We have reopened the Pennington County 4-H t-shirt shop for your convenience you can follow this link to order: <https://pennco4h2019.itemorder.com/> The shop will close on December 11th in order to provide enough time to receive them by Christmas.

Wreaths

- Wreath Laying is December 5th at 9am meet at the little church east of the National Cemetery. Unfortunately, there will be no program this year.
- Remember we need 1 person for every 10 wreaths that are placed. Please invite anyone you can to help with placement of the wreaths.
- To be sure we are practicing health and safety recommendations, we ask all volunteers to wear a mask and maintain social distancing.
- These instructions come directly from the fundraiser's organizer. Anyone who purchased wreaths and supplied an email address will receive this information again on December 1st. Any possible updates with Wreath Laying will be sent via email before December 5th.
